## Wolfram Mathematica

Site License (University of Rhode Island)

Start date End date	June 27, 2023 August 16, 2024	
Access Deskt	p app + local documentation	
Deskt	p app (web documentation only) wnload v e download/language ontions and previous versions »	

#### **Mac OS instructions.**

1. Double-click the downloaded dmg file to start the download manager and follow its instructions.

Next, install the documentation.

## Installing the Documentation

The download manager confirms when the process is complete.

i Status		Settings	
Title \ Status (	Wolfram Mathematica Complete	14.0 and English Documenta	tion
			🖋 Launch

1. Click Launch to install Mathematica documentation.

#### 2. Click Continue.

3. Click Install to install the documentation in the default location.

	💗 Install Documentation.en-us		8
	Installing Documentation.en-us		
<ul> <li>Destination Select</li> <li>Installation Type</li> </ul>			
<ul> <li>Installation</li> <li>Summary</li> </ul>	Writing files		
	Install time remaining: About 2 minutes		
		Go Back Continue	

4. Wait for the installation to complete.

5. Click Close to finish installing the documentation.

## **Installing Mathematica**

The Mathematica Installer window opens next.

1. Drag the Mathematica icon to the Applications folder icon.

2. Wait for the installation to complete. Mathematica is now installed in your Applications folder.

## Installing wolfram script

Mathematica also comes with an optional Wolfram script installer.

1. Return to the Mathematica installer window.

2. Double-click the wolframscript.pkg icon to run the installer. The Install wolframscript dialog appears.

	🏶 Install WolframScript	8
	Welcome to the WolframScript Installer	
<ul><li>Introduction</li><li>Destination Select</li></ul>	You will be guided through the steps necessary to install this software.	
<ul><li>Installation Type</li><li>Installation</li><li>Summary</li></ul>		
>_	Go Back Continue	

3. Click Continue.

	🍄 Install Wolfra	mScript	8
	Standard Install on "Mac	intosh HD"	
<ul> <li>Introduction</li> <li>Destination Select</li> <li>Installation Type</li> <li>Installation</li> <li>Summary</li> </ul>	This will take 6.8 MB Click Install to perforr on the disk "Macintos	of space on your computer. n a standard installation of this software h HD".	
		Change Install Location	
>_	Customize	Go Back Install	

4. Click Install to install wolframscript at its default location.

5. Click Close.

#### **Windows Instructions**

1. Start the Wolfram Download Manager executable and follow its instructions.

## Installing the Documentation

The download manager confirms when the process is complete.

1. Click Launch to install Mathematica documentation.

2. Wait for the installation to complete.

## **Installing Mathematica**

The Mathematica setup dialog opens next.

Click Next to begin the installation process.

😻 Wolfram Mathematica Setup	_		×
<b>Destination Location</b> Where should Wolfram Mathematica be installed?			<b></b>
Setup will install Wolfram Mathematica into the following folde	er.		
To continue, click Next. If you would like to select a different folder, cl	ick Brov	wse.	
C:\Program Files\Wolfram Research\Mathematica\14.0	Bro	wse	
At least 6,577.1 MB of free disk space is required.			
< Back Next :	>	Can	cel

Click Next to install Mathematica to the default directory.

(A) Malfana Mathematics Cature			~
woirram Mathematica Setup	_		~
Select Components Which components should be installed?		2	
Select the components you want to install; clear the components yo install. Click Next when you are ready to continue.	u do no	t want to	
Install all components (recommended)		~	
< Back Nex	t > )	Can	cel

Click Next to include **wolframscript** with your installation.

If you prefer not to install wolframscript, select "Choose components to install" from the dropdown menu and uncheck the box next to wolframscript; click Next to continue.

😻 Wolfram Mathematica Setup	_		×
Start Menu Folder Where should Setup place the program's shortcuts?			
Setup will create the program's shortcuts in the following	) Start M	enu folder.	
To continue, click Next. If you would like to select a different fold	er, dick E	Browse.	
Wolfram Mathematica 14		Browse	
Dep't graate a Start Monu felder			
< Back N	lext >	Ca	incel

The installer adds Mathematica shortcuts to the Windows Start Menu in the Wolfram Mathematica folder.

To make the shortcuts appear in a different folder, click Browse and select a directory. If you prefer not to make a shortcut in the Start Menu, check the box next to "Don't create a Start Menu folder".

Click Next to continue the installation.

Wolfram Mathematica Setup  Remove Other Applications  The following application(s) are installed on your computer. Setup can remove these for you before installing Wolfram Mathematica 14.
